Hi Carl,

Please be aware that, pursuant to a Freedom of Information Act request from Young Sommer LLC, EPA will be releasing TIG Environmental Evidence Summary Memoranda and Knauf Shaw Dossier Exhibits relating to Ley Creek Deferred Media / OU-2. The release of these records under FOIA was contemplated as a possibility back in 2020, when the files were transmitted to the agency; however, I wanted to provide you with a courtesy notice. Please let me know if you have any questions.

Thank you,
Margo
